The House of Representatives

Convened in the

Sixty-seventh General Assembly

Hereby extends sincere commendations to

Colorado State University RecycleMania

Colorado State University finished in the top 10 nationally in the Grand Champion competition for RecycleMania, a 10-week recycling competition among more than 500 colleges and universities across the country. CSU also finished 20th in the country in the Waste Minimization category. The members of the Colorado House of Representatives are proud to pay tribute to the students, faculty, and staff of Colorado State University for their exemplary performance in the RecycleMania competition.
